## I. W. W. 'REBEL' SPIRIT SHOWN

Details Will Be Revealed at Coming Trials; Sabotage Is Endorsed.

Chicago, Ill., March 29.—Details of how the "Sab Cat" and the "wooden shoe" were being marshaled by a vast "rebel army" in opposition to the United States government and the war, will, it is said, be revealed at the coming trial of members of the I. W. W. under indictment for conspiracy and disloyalty.

"Sab Cat" and "wooden shoe" are I. W. W. slang for sabotage.

Federal attorneys were today examining speeches of I. W. W. literature seized by the government in the country wide raids last fall.

Following are some extracts from "Solidarity," an I. W. W. publication, which will, it is said, be used as evidence at the trial.

"The rebel who does not put his pet cut to work those damn in guilty of criminal negligence."

Many Land in the Provost Marshal's Office to Have "Duds" Checked Up.

The provost marshal's office is now checking up on the soldiers' uniforms, and those who do not meet the standards are being sent back to their organizations to get them fixed.

## CHARACTER TO DECIDE THE WAR

Won't Be a Drive by Germans, Dr. Perry Says at Y. M. C. A. Luncheon.

"This war will be decided not by any great drive the Germans may launch today or any other day, but by the character of the men we send to the trenches and of those we have at home," said Dr. Frederick A. Perry, national secretary of the Y. M. C. A. Red Triangle League at the "Y" luncheon at Hotel Paso del Norte Wednesday, at which total subscriptions aggregating \$14,015.50 were announced by the captains.

Dr. Perry, who had been announced as speaker for Wednesday, did not arrive in time to serve, but his place was taken by Dr. Perry, who was accompanied by several members of the Red Triangle League.

"The Y. M. C. A. is a manhood factory," said Dr. Perry. "It is not only a place where men are trained, but it is a place where they are given the character to win the war."

Dr. Perry told of the Red Triangle League's work in the trenches, and of the problems that will come after the war.
